

Reducing the Stigma:

A Family Suicide Prevention Program

Tuesday

September 12, 2017

Fort Frye High School
Auditorium @ 6:30 p.m.
Intended for ages 14 and up.

In partnership with Fort Frye Local Schools, Dr. Bill Bauer walks through his personal story of his son's suicide, making reference to signs and symptoms. Prevention strategies and resources are provided. A question and answer session immediately follows his presentation..

What are the signs of suicide?

What is suicidal behavior?

What are the causes of suicide?

How to recognize depression?
