

WANTED

Are you looking for something new and fun to do over the summer?
How about meeting new people and learning new things?
Do you want to volunteer with a great program and work with kids?
Then this is the opportunity for you!

The Washington County 4-H program is looking for teen counselors to help with our 4-H camps. You **DO NOT** have to currently be in 4-H to be a counselor. We offer a special club that only meets during the training sessions for those who are not in another club.

We have three camps during the summer:

Beginner Camp: July 1-2

Junior Camp: July 8-12 and

Senior Camp: July 22-26

You can help with just one or all three (based on age and experience.)

Here's what some experienced counselors have to say about their time at camp:

"I never would have imagined myself being a camp counselor. It was an activity far different from everything else I was involved in. But now I can't imagine my summers without camp. It's been a fun experience and I've met so many great people. Counseling is one of my favorite activities and I'm so glad I decided to try it." Elizabeth Adams, Graduate Belpre HS

"Being a camp counselor gave me a big extended family I didn't know I wanted but love regardless. Camp is like my home away from home every summer. I wouldn't want to do anything else with my time." Holly McCoy, Warren HS

"Being a camp counselor means I get to learn leadership skills, make new friends, and help the youth experience what I did when I was a camper!" Torie Bosner, Waterford HS

"Camp counseling is about so much more than simply caring for children. Being a camp counselor allows you to connect with people of all ages and both teach others and learn about yourself." Tyler Hartline, Marietta HS
