Retesting will be conducted before school is out for the year as well as on a schedule to avoid other standardized tests. If you did NOT test college ready for a desired course then complete one of the following steps.

1. coordinate w/ Amy Taylor our CCP Liason for WSCC to attend a review session at WSCC. After attendance at the review session, you may request to retest. Mrs. Taylor will notify the school counselor of your completion of the review.
2. coordinate with a certified teacher skilled in the review area. Work with that teacher for a minimum of 2 hours to review the English or Math content. It is strongly suggested you review the practice Accuplacer questions published online. WSCC is still using the classic test (not

the next gen). Have the teacher sign a note proving completion of the 2 hours of review and submit it to the guidance office.
