

This card need only be returned if the student is requesting the high school classes of band or choir.

Fort Frye High School Scheduling Card 7th Grade Class of 2023

Traditional Classes

Every student will be enrolled for a full year of Junior High Physical Education, Language Arts 7, General Science 7, Math 7, Social Studies 7, and an additional period for Reading Workshop 7. Students designated as Talented and Gifted will be serviced in each of the core courses as appropriate for that student. All 7th grade students will have a required study hall and a rotations period consisting of a nine weeks of keyboarding skills, careers, general music, and art. Students are encouraged to take Concert Band or Concert Choir as an elective to replace study hall.

Advance Language Arts/Math Classes

Students will be placed in advanced classes based on several factors such as, but not limited to, teacher recommendation(s), AIR score(s), iReady score(s), attendance, behavior, and grades. The high school principal may consult with teachers, counselors, and elementary principals about eligibility, but he/she will be the final authority as to placement.

Every student will be enrolled for a full year of Junior High Physical Education, Language Arts 7, General Science 7, Pre-algebra 7, Social Studies 7, and an additional period for Reading Workshop 7. Students designated as Talented and Gifted will be serviced in each of the core courses as appropriate for that student. All 7th grade students will have a rotations period consisting of a nine weeks of keyboarding skills, careers, general music, and art. Students are encouraged to take Concert Band or Concert Choir as an elective to replace study hall.

Special Needs/Inclusion

Students identified with specific reading, writing, or mathematics goals will be placed in the least restrictive environment possible with intervention support. Inclusion classrooms have been created for all four core content areas---language arts and reading, mathematics, science, and social studies. Junior High resource classrooms have been created for both language arts and mathematics. Assignment to inclusion or resource classrooms will be determined by the student's Individual Education Program (IEP) or 504 Plan.

Every student will be enrolled for a full year of Junior High Physical Education, Junior High Resource Room/Inclusion Language Arts 7, General Science 7, Math 7, Social Studies 7, and an additional period for Reading Workshop 7. Students designated as Talented and Gifted will be serviced in each of the core courses as appropriate for that student. All 7th grade students will have a required study hall and a rotations period consisting of a nine weeks of keyboarding skills, careers, general music, and art. Students are encouraged to take Concert Band or Concert Choir as an elective to replace study hall.

Optional Electives and High School Credit Classes

High School credit courses include Concert Band and Concert Choir. These courses are taught by a high school certified instructor and are courses offered for grades 7-12. **High School credit will be granted for this course. This will be one of the first grades recorded on the student's transcript and will follow him/her through graduation.**

I and my child understand we are requesting high school credit course(s) for the 2017-2018 school year. We also understand that schedule changes after school starts are not easy and must be approved by the principal. For these reasons, it is very important you and your child give adequate thought to this decision.
