

Washington County has a variety of mental/emotional health service providers to help parents and teens through the challenges of the teenage years.

[Teenline Ohio](#)- A hub for help for teens and parents in SouthEast Ohio. Teenline has links, chat forums and a question and answer section. If you're looking for support - this is a great place to start. Includes contact information for safe places to stay, local and national crisis hotlines and mental health substance abuse centers.

[Washington County Mental Health and Addiction Recovery](#) - Includes a variety of links and resources for Washington County residents. Many of the links are available and detailed below:

[The Educational Page](#)- Set up by Community Education Coordinator Miriam Keith, featuring information and links on a wide range of topics. An archive of previous years topics is also available.

[L&P Services](#)- Mental Health and Addiction Recovery Provider for Washington County. Beginning August 2009 L&P will have an office located in Beverly. Appointments for the Beverly office can be scheduled through the Marieta Office.

[Network of Care for Behavioral Health](#) - Network of Care is an innovative web-based source designed around the needs of consumers of mental health services, as well as their care givers and service providers.
