

On behalf of The Ohio State University College of Pharmacy, we would appreciate you sharing the below information about this upcoming career exploration event for current high school students:

We're excited to invite you to a career exploration program on-campus at The Ohio State University College of Pharmacy for current high school students. This event is called **Pharmacy in Health Care Day** on April 21, 2018 from 11:30am-3:30pm. You can register online at <http://go.osu.edu/pharmacyday2018>

During this free event, you'll get the chance to:

- Explore careers in Pharmacy practice and research
- Learn about how a Pharmaceutical Sciences education can prepare you for your next step, even if that's a career as a researcher, a physician, a dentist, optometrist, and many others
- Learn about our undergraduate major, The Bachelors in Pharmaceutical Sciences (<http://go.osu.edu/bsps>)
- Explore our Early Admissions Pathway for high-school seniors, which guarantees you admission to the PharmD program once you graduate with your bachelor's degree (<http://go.osu.edu/copeap>).

The Ohio State University and the College of Pharmacy are exciting places to live and to study. As a leader in health care and many other fields, an Ohio State education prepares you to excel at whatever you do after graduating with your degree. If you have any questions, please email COP-PharmacyDay@osu.edu - we look forward to seeing you on campus soon!
