4-H Camp Counselor flyer

<http://washington.osu.edu/program-areas/4-h-youth-development/counselors>

Are you looking for something new and fun to do over the summer?

How about meeting new people and learning new things?

Do you want to volunteer with a great program and work with kids?

Then this is the opportunity for you!

The Washington County 4-H program is looking for teen counselors to help with our 4-H camps. You DO NOT have to currently be in 4-H to be a counselor. We offer a special club that only meets during the training sessions for those who are not in another club.

We have three camps during the summer;

Beginner Camp: July 1-2

Junior Camp: July 8-12 and

Senior Camp: July 22-26

You can help with just one or all three (based on age and experience.)

Here's what some experienced counselors have to say about their time at camp:

"I never would have imagined myself being a camp counselor. It was an activity far different from everything else I was involved in. But now I can't imagine my summers without camp. It's been a fun experience and I've met so many great people. Counseling is one of my favorite activities and I'm so glad I decided to try it." Elizabeth Adams, Graduate Belpre HS

Summer Programs 2019

“Being a camp counselor gave me a big extended family I didn’t know I wanted but love regardless. Camp is like my home away from home every summer. I wouldn’t want to do anything else with my time.”

Holly McCoy, Warren HS

“Being a camp counselor means I get to learn leadership skills, make new friends, and help the youth experience what I did when I was a camper!”

Torie Bosner, Waterford HS

“Camp counseling is about so much more than simply caring for children. Being a camp counselor allows you to connect with people of all ages and both teach others and learn about yourself.”

Tyler Hartline, Marietta HS

Applications are due no later than February 1st. Counselor Assessment takes place on February 10th.
