 Grade (Circle One) Grade (Circle One)

Failures in Core Classes (language arts, math, science and social studies) must be recovered. Students earning a C or below may be given permission to repeat any class for which they have previously received credit. If repeated, the class must be completed by the end of the next school year. Credit will only be granted once for the class and both classes and grades will appear on the student's transcript. The higher of the two grades for semester 1 and, if applicable, semester 2, will be calculated into the students accumulative GPA.
