Accuplacer Request to Re-Test Name _____

Test	Minimum Score	Score
Reading	80 or 71 w/ 3.0 or letter of recommendation	
WritePlacer	5 or 4 w/ 3.0 or letter of recommendation	
College Level Math <small>(start at Elem Alg and score 90+ to move on to College Level Math)</small>	55 or 46 w/ 3.0 or letter of recommendation	

Retesting will be conducted before school is out for the year as well as on a schedule to avoid other standardized tests. If you did NOT test college ready for a desired course then complete one of the following steps.

1. coordinate w/ Debbie Gurtis our CCP Liason for WSCC to attend a review session at WSCC. After attendance at the review session, you may request to retest. Mrs. Gurtis will notify the school counselor of your completion of the review.

2. coordinate with a certified teacher skilled in the review area. Work with that teacher for a minimum of 2 hours to review the English or Math content. It is strongly suggested you review the practice Accuplacer questions published online. WSCC is still using the classic test (not the next gen). Have the teacher sign a note proving completion of the 2 hours of review and submit it to the guidance office.
