I would like to declare my intent to participate in College Credit Plus. I understand that signing this form does not obligate me to participate during the coming school year and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school when I gain admission to my selected institution of higher education and that I will be told how many college semester hours I am eligible to take during the coming school year, including summer term. I also understand that it is my responsibility to notify my school if I am not going to participate in College Credit Plus for any reason.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in College Credit Plus.

A student who receives a grade of **F** or **W** on his/her transcript will be charged the amount of funds paid for the CCP course. This will include but is not limited to the cost of tuition and books.
