

New Student Registration

New to the district? Here's how to register!

Parents of students new to the Fort Frye Local School District must contact the Office for the school your student would be attending and schedule an appointment to register.

Need to change your current information?

All current Fort Frye Local School District families who have changed or plan to change their residency are asked to contact the Office of their school for withdrawal and/or change of address procedures. If requesting a change of Transportation you must file a new Transportation Request Form.

Need alternate care?

Fort Frye Local Schools Transportation Department may provide transportation to/from an alternate location, provided there is room available on the route and the following guidelines are met:

- The parent(s) must provide all information being requested on the Transportation Request Form.
- Alternate Care Providers residence is within Fort Frye Local School District
- Stops must be on existing routes and subject to available space.
- Shared parenting arrangements will be recognized per court orders and honored when possible.
